Sponsorship

Sponsorship by Chamber members ensures the success of our annual Chamber events. With each level, you receive greater visibility and sponsor benefits. Approximately two months prior to each special event, you will receive information about how to get involved with an event and to secure your desired level of sponsorship. The typical sponsorship levels for each of our events are:

Platinum	\$2500	Silver	\$500
Gold	\$1000	Bronze	\$250

Did you know you can be a sponsor on a tight budget?

All membership tiers* have a SPONSORSHIP CREDIT that you may use throughout the calendar year. Your credit may be split across multiple events if you so choose! The 2015 starting sponsorship credit balances are:

President's Circle credit	\$400
Executive Membership credit	\$300
Premium Membership credit	\$200
Entrepreneur Membership credit	\$100
Business Membership credit	\$100

How can I redeem my Sponsorship Credit?

For example, if your membership tier is the Premium Membership, you have a \$200 sponsorship credit. You may apply this credit against any sponsorship level that is greater than \$200. For example, you decide to become a \$250 Bronze sponsor for the Great Bowls of Fire Chili Cookoff. With your \$200 sponsorship credit, you would receive all the benefits and visibility of the Bronze sponsorship for only \$50! When you fill out the event sponsorship form, you must indicate if you are redeeming sponsorship credits.

Anything special to know about the Sponsorship Credit?

Credits expire at the end of your membership renewal (12 month anniversary). Unused sponsorship credit does not carry over if not used during the year of your membership renewal.

Credits must be used for sponsorship levels greater than the amount of the credit. For example, if you have a \$400 sponsorship credit as a President's Circle member, you would not be able to use this against a Bronze level since the \$250 Bronze level is less than the \$400 credit. You would be able to apply it against the Silver, Gold or Platinum levels.

Sponsorship credits can only be used for sponsorships. They cannot be applied towards the purchase of event tickets or Chamber advertising opportunities.

* The Associate Tier (for retired or individual reps) currently does not receive an annual sponsorship credit.
